

## Field Day

Field Day is a fun day for all of the students at our school. We will be playing special games together. We will follow a different schedule.

We may play outside or inside. If we are outside, it may be hot. I can wear a hat or sunglasses. Kids may be cheering or yelling loudly. That's O.K. I can tell my teacher if I need a break.

We will listen to the directions for each game and follow the rules. Everyone will get a turn to play. I will be happy for the team or person that wins. That may or may not be me, or my team, and that's O.K. I am a good sport.

Being a good sport means following the rules and being nice when I win and when I lose. I can say "good game" to the person, or team, that wins.

Everyone needs to be a good sport so we can all have fun together. Field Day is a great day to play with my school friends before we go on Summer Break.
